

## Conventual Red Wine Reserva – 75 cl (2014) Vinha da Serra da Penha

### ALENTEJO

Founded in 1954 by a small group of winegrowers of the region and inserted in the Natural Park of the São Mamede Mountains, since its beginning, the **Adega de Portalegre** Winery, was distinguished by the quality and originality of their wines.

The typicity of the wines comes from the vineyards located at an altitude between 600 and 700 metres and by the fact that the average age of the vineyards can be of 70 years old and by the maintenance of an ancestral culture of wine, where quality and typicity are the main purpose.

The region of Portalegre represents a unique terroir, allowing **Adega de Portalegre** to produce wines with an expressive personality, singularity and even some eccentricity. This uniqueness has been awarded through the past 60 years, in national and international competitions.

This single estate wine has its origin in a unique vineyard located in the mountains of **Serra da Penha**, at an altitude of 650mts, growing in very poor granitic and quartz soils. The grape varieties **Touriga Nacional**, **Alicante Bouschet** and **Cabernet Sauvignon**, were stemmed and vinified in small winepresses in contact with submerged cap, originating a **wine of great intensity and vigour**.

### WINEMAKING

The grapes are handpicked directly to 20 kgs crates, then totally destemmed. Fermentation occurs in stainless steel vats and winepress with controlled temperature at 26°C. Maceration is post fermentation. Malolactic fermentation is made in stainless steel vats.

#### Good Practices in Transportation and Warehousing
